- 5) Abhay Thakur 1128
- 6) Yadnee Pawar 1151
- 7) Scientilla Nadar 1164
- 8) Akshata Tiwari 1165
- 9) Meet Mistry 1172
- 10) Akshat Sahu 1703

A detailed digital painting of a lush, green forest at night or dusk. Sunlight filters through tall trees, creating bright highlights on the trunks and leaves. A rocky stream flows from the background towards the foreground, with small cascades and pools of water reflecting the surrounding light. Several glowing blue spheres, resembling fireflies or magical energy, are scattered throughout the scene, some hovering near the trees and others resting on rocks. The overall atmosphere is serene and enchanting.

Thank You!
